

FAITH FELLOWSHIP ACADEMY

February 2025

Dear Parents,

This month at Chapel we will be focusing on "Sharing." The idea of sharing doesn't come freely to young children. It is something they learn with the help and modeling of caring adults and from their own life experiences. In general, toddlers, and often young three-year-olds, believe that the world revolves around only them. Even though preschoolers gradually learn what taking turns means, they aren't always keen about sharing. If you ask young children to share something, they may think you are taking it away from them. They don't know (and need to learn) that they will get it back. They need time to cognitively understand that when people share, everyone has more to play with, and that there are more things to enjoy while playing. Young children need opportunities to practice seeing situations from another child's point of view.

In His love,
Ms. Carissa

Basket of Love

We are continuing our "Basket of Love" campaign for our teachers to acknowledge all their hard work and dedication. Every Thursday, we are hoping that a family will bring in a basket full of individually wrapped items (i.e. granola bars, muffins, candy bars etc.) for our staff of 26. If your family would like to participate, you can [click here](#) to schedule a Thursday to bring a basket in. Feel free to contact the Academy office for more information.

Faith Fellowship Church Parenting Class

Faith Fellowship Church is offering a parenting class for parents of young children. "Essentials of Discipline" is a six week series by Christian psychologist Dr. James Dobson and facilitated by Victoria Hecht. This course begins on February 2nd at 9:00am in Room #204 in the Church building. This series has been well received and is filled with helpful and practical tips for parents. Faith Fellowship Church encourages you to consider joining this class and then staying for their 10:45am service. Please contact the Church for more information at 321-259-7200.
