

# FAITH FELLOWSHIP ACADEMY

January 2025

## Dear Parents,

This month at Chapel we will be focusing on "Disappointment." Disappointment can occur for many reasons at any time. For instance, a child might feel upset about not getting their favorite snack or missing playtime with a friend. They can also be disappointed during birthdays or holidays if the events do not meet their expectations.

Children often anticipate these special occasions, filled with family gatherings and gifts. This excitement can lead to high expectations, and when the celebrations don't match their hopes, they may feel disappointed, angry, or upset.

This month, we will focus on helping children recognize and name the feeling of disappointment, express that feeling appropriately, and find ways to turn it into something positive.

In His love,  
Ms. Carissa  
Director
