

FAITH FELLOWSHIP ACADEMY

AUGUST 2024

Welcome Back!

As we welcomed back all our Academy families to a new school year, we were greeted with happy parents and even happier children longing to return to school.

This year, during Chapel time, we will be visiting Daniel Tiger's Neighbor, where we will learn "Life's Little Lessons."

Daniel Tiger and his friends will help our preschoolers manage emotions and develop key social and emotional skills while exploring, singing and creating.

I hope you and your child enjoy spending time with us in Daniel Tiger's Neighborhood. I pray that the Lord uses these lessons to help your child develop strategies that they can use every day to grow "inside."

In His love,
Ms. Carissa
Director

Entering and Exit the Building

Rules are cool, because they keep us safe! In order to maintain proper flow of people entering the building and to avoid traffic jams, please do not use the Entrance door to exit the building. We ask that everyone uses the designated exit doors. If you are unsure of which exit door to use, you can also ask your child's teacher for help. Be sure to share this information with anyone that is picking up or dropping off your child.

Please note that the front doors are locked at 8:45am, you will need to ring to enter building.

Parking Lot Safety

For safety reasons, the parking spots directly in front of the Academy are for **compact cars only**. All other vehicles can utilize the back parking lot or the church parking lot. Thank you for your help!
